

It is the Patient Care Facility's responsibility to determine medical necessity; ensure coverage criteria are met; and submit appropriate HCPCS codes, modifiers, and charges for provided medical devices.

*Bird & Cronin suggested HCPCS codes are provided as a courtesy and do not supersede the Patient Caregiver's full responsibility for the accurate billing of services and medical devices provided. Suggested codes listed in **bold** are PDAC approved and supporting letters can be found on this website under Customer Care/PDAC letters.*

It is the Patient Care Facility's responsibility to determine medical necessity; ensure coverage criteria are met; and submit appropriate HCPCS codes, modifiers, and charges for provided medical devices.

*Bird & Cronin suggested HCPCS codes are provided as a courtesy and do not supersede the Patient Caregiver's full responsibility for the accurate billing of services and medical devices provided. Suggested codes listed in **bold** are PDAC approved and supporting letters can be found on this website under Customer Care/PDAC letters.*

08144555	PREMIER WRIST W/THUMB XL LT	EA	L3809

It is the Patient Care Facility's responsibility to determine medical necessity; ensure coverage criteria are met; and submit appropriate HCPCS codes, modifiers, and charges for provided medical devices.

*Bird & Cronin suggested HCPCS codes are provided as a courtesy and do not supersede the Patient Caregiver's full responsibility for the accurate billing of services and medical devices provided. Suggested codes listed in **bold** are PDAC approved and supporting letters can be found on this website under Customer Care/PDAC letters.*

It is the Patient Care Facility's responsibility to determine medical necessity; ensure coverage criteria are met; and submit appropriate HCPCS codes, modifiers, and charges for provided medical devices.

*Bird & Cronin suggested HCPCS codes are provided as a courtesy and do not supersede the Patient Caregiver's full responsibility for the accurate billing of services and medical devices provided. Suggested codes listed in **bold** are PDAC approved and supporting letters can be found on this website under Customer Care/PDAC letters.*
