### APPLICATION INSTRUCTIONS

1. Wrap support around waist like a belt. Center contoured stays on the lower back and position for a comfortable fit.
2. Grip both ends of the support and stretch evenly.
3. Pull the left end across the abdomen and hold firmly against right side (Figure 1).
4. Pull right end across on top and secure to left side of abdomen.
5. Grip the ends of both elastic side straps and stretch evenly (Figure 2).
6. Pull and secure the left strap to the right side of abdomen.
7. Pull and secure the right strap to the left side of abdomen.
8. Adjust side pulls as needed to modify level of tension, support, or comfort.

**NOTE:** Please refer to sew-in label on device for care instructions.
